The Details*

Every new Distributor that enrolls with a Z5 or Z10 and a 2-case Autoship also earns the rank of Associate Manager for 3 months. This allows the new Distributor to be paid 3 levels deep while building their business and earning the true rank of Associate Manager. As an active Associate Manager on Autoship, your upline can count you as an Associate Manager for those 3 months. Organizations built using this or other promotions will qualify only for Promotion-Based RGB as outlined in the chart below:

PROMOTION-BASED RAPID GROWTH BONUS

Earned Rank	Earned Month	Commission Month	Promotion-Based RGB
Director (D)	3	4	\$500
Senior Director (SD)	5	6	\$1,000
Diamond Executive Director (ED)	8	9	\$2,000
Double Diamond Executive Director (ED2)	12	13	\$3,750
Triple Diamond Executive Director (ED3)	18	19	\$6,250

If you bought a Smart Kit and would like to participate in the Z5 or Z10 Double Up PowerPlay Bonuses, you must upgrade with a Z5 Add-On or a Z10 Add-On. If you bought a Z5 and would like to participate in Z10 Double Up PowerPlay Bonuses, you must upgrade with a Z5-to-Z10 Add-On. All Add-Ons can be purchased by calling Distributor Support. *All examples shown above are based upon completing a PowerPlay of the exact kit level for which you are qualified (i.e. Z5 PowerPlay = 3 Z5 enrollees). The “Double-Up” Bonuses earned are based upon all participating PowerPlay enrollees maintaining a 2-Case Autoship for at least three months.*
